

## **March 18, 2020**

The Mental Health & Recovery Board is working with its contract partners (**Appleseed Community Mental Health Center, Catholic Charities and ACCADA**) to ensure needed mental health and addiction services continue in a way that is safe for all parties.

If you or a loved one is receiving services from one of our contract partners, we encourage you to reach out to them for specific instructions on receiving services.

Please understand that the Coronavirus pandemic and local, state and federal responses to it are changing regularly. Our contract partners may implement plans that will need to change as we all learn more about the virus and the best way to respond.

The Board will make regular posts to inform the community about what actions it is taking in response to this public health threat. Below is section entitled “**Additional Resources**” that we encourage you to view.
