

Leaving a Legacy

Since July 2018, a series of “leaving a legacy” articles have been published in the quarterly issue of Senior Living, Ashland Times-Gazette. Ashland County seniors who are interviewed and profiled have unique stories and legacies, and are not necessarily well-known in the community. Articles published thus far can be viewed on the websites for the Ashland Times-Gazette and the Mental Health and Recovery Board of Ashland County (MHRB, www.ashlandmhrb.org).

CALL FOR NOMINATIONS

- Do you know a senior who is a “hidden hero,” who contributes to our community, and makes a difference? Do you know a senior who has built a strong legacy, not limited to planned distribution of financial assets? Do you know an older adult who might be interested in being interviewed and written about?
- As examples, do you know of a senior whose legacy is intertwined with being a caregiver or foster grandparent, an advocate, an artist, an employee or someone who has launched a career later in life, a veteran, a volunteer?
